Part of the Macmillan Secondary Mathematics Course this book provides the answers to questions raised in Book 5X of the course. This book also offers the pupil

suggestions for further independent reading and investigation in the areas examined in the book. For ease of use and practicality Straightforward Second Edition is structured to provide one lesson per double-page spread (A/B/C/D), lasting around 90 minutes. All lessons are interlinked to promote better and more memorable learning, but there is the flexibility to pick out certain key sections to focus on certain language points. Prepares pupils for the FCE Writing tests. Part of the Improve your Skills series which aims to develop the skills, language and test techniques required for success in the FCE,

this book comes 'With Key' and MPO for further online practice. The new IELTS preparation course builds on the successful elements of the Ready for Series to ensure students aiming for IELTS bands 5 - 6.5 are ready for success! All four key skills are systematically developed and practised in each unit, while in-depth exam training is presented. The Workbook provides extra language and vocabulary practice that supports the units of the Student's Book making it ideal for homework. This version comes without the key. The Workbook provides extra language and vocabulary practice

that supports the units of the Student's Book making it ideal for homework. This version comes with the key. Ideal for teachers looking for an easy-to-use adult general English course, Straightforward, is flexible and simple to use, based around 12 topics per level. It always takes the most suitable methodological approach to what is being taught, resulting in the perfect balance of skills and language work. Extra section including functional language, writing skills, grammar notes and word lists round off the Students Book. Key Features: Simple enough for new teachers to use;

flexible enough for the Straightforward has come of age and has been treated to a review, revamp and facelift. Much of the content has been updated and made more relevant. The Workbook provides extra language and vocabulary practice that supports the units of the Student's Book. It is designed for student's to work at their own pace it is ideal for homework. "Macmillan VCE Physical Education 1 (Units 1 and 2) is an exciting new textbook designed for use with the VCE Physical Education Study design commencing in 2011. This teacher resource book provides further learning activities, answers

and support for teachers implementing the new study design. The Workbook provides extra language and vocabulary practice that supports the units of the Student's Book making it ideal for homework. This version comes without the key. Ideal for teachers looking for an easy-to-use adult general English course, Straightforward, is flexible and simple to use, based around 12 topics per level. It always takes the most suitable methodological approach to what is being taught, resulting in the perfect balance of skills and language work. Extra section including functional

language, writing skills, grammar notes and word lists round off the Students Book. Key Features: Simple enough for new teachers to use; flexible enough for the Workbook Pack offers thorough consolidation of the grammar studies in the Student's Book. Perfect for students preparing for the CAE with extra writing practice, listening banks and exam practice, help to develop student confidence. The Audio CD contains all the audio needed, making it ideal for revision and homework. The Workbook complements the language and grammar that is taught with the Student's Book and

comes complete with an Audio CD making it an ideal partner for extra practice or homework. This version comes without the key. A pack that consolidates and builds on the language and topics taught in the Student's Book. It is suitable for recycling language, reinforcing material already learnt and providing extra activities. It also features an audio CD containing all the listening exercises used in the Workbook. It is a 'With' Key version. For ease of use and practicality Straightforward Second Edition is structured to provide one lesson per double-page spread (A/B/C/D),

lasting around 90 minutes. All lessons are interlinked to promote better and more memorable learning, but there is the flexibility to pick out certain key sections to focus on certain language points. This book is part of the Macmillan English Grammar In Context series, a three-level grammar practice series with a difference. Incorporating contextual examples in grammar practice activities, Macmillan English Grammar In Context is a grammar book that can be used in both the classroom and for self-study. Key Features: Grammar explanations with traditional practice

activities and contextual examples Cross-curricular content areas include: literature science, geography, history and social sc This is a new general English course for adults and young adults based on observation of what good teachers do in the classroom. Straightforward is transparent in its structure, pragmatic in its methodology and varied in its content. The workbook contains a complete twelve-unit writing course, extra reading texts and activities for every unit and a free audio CD with dictation activities. No other description available. Text, teacher's edition,

test blackline masters, parent child activities, reteaching, Vocabulary strategies, comprehension, challenge activities, writing activities, skill practice, workbook (teacher's ed.), teaching charts, transparencies. The third edition of our popular FCE preparation course aimed at young adult students training for the Cambridge FCE exam. All four skills are developed and practised in each unit and in-depth exam training is given in the form of regular 'What to expect in the exam' and 'How to go about it' help boxes, ensuring students are prepared and confident.

Straightforward has been reviewed, revamped and given a facelift. Much of the content has been updated and made more relevant. The Workbook has extra language and vocabulary practice to support the units of the Student's Book. It is designed for students to work at their own pace and is ideal for homework. This version comes with the key. Straightforward has been revamped in a second edition, with much of the content updated and made more relevant to our ever-changing world. New topics, articles and exercises appear within a fresh new design. All the old teachers' favourites are still there -

meaning it will still be a joy to teach with. Each unit is structured to provide one lesson per double-page spread (A/B/C/D), lasting around 90 minutes. All lessons are interlinked to promote better and more memorable learning, with the flexibility to pick out key sections to focus on certain language points. All language is clearly signposted and scaffolded so there is great clarity of progression of learning - students can really feel they are getting somewhere. There are extra communication pages and unit reviews, plus new videos, online material and photocopyables to extend and add to a

lesson. The CEFR plays a prominent part in the second edition with clear signposting, self-assessment opportunities and the invaluable portfolio. The Teacher's Book and supporting website have tips, photocopyables and information. "This new edition of Ready for FCE has been revised and updated to incorporate all the new features of the Cambridge First Certificate in English. It is a comprehensive, well-rounded course that gives both the teacher and student confidence of exam success. The course also contains a complete grammar syllabus and reference, as well

as regular review sections that incorporate exam-style exercises.
