Shame and Wonder Jul 21 2020 For fans of John Jeremiah Sullivan, Leslie Jamison, Geoff Dyer, and W. G. Sebald, the twenty-one essays in David Searcy's debut collection are captivating, daring—and completely unlike anything else you've read before. Forging connections between the sublime and the mundane, this is a work of true grace, wisdom, and joy. Expansive in scope but deeply personal in perspective, the pieces in *Shame and Wonder* are born of a vast, abiding curiosity, one that has led David Searcy into some strange and beautiful territory, where old Uncle Scrooge comic books reveal profound truths, and the vastness of space becomes an expression of pure love. Whether ruminating on an old El Camino pickup truck, those magical prizes lurking in the cereal boxes of our youth, or a lurid online ad for "Sexy Girls Near Dallas," Searcy brings his unique blend of affection and suspicion to the everyday wonders that surround and seduce us. In "Nameless," he ruminates on spirituality and the fate of an unknown tightrope walker who falls to his death in Texas in the 1880s, buried as a local legend but without a given name. "The Hudson River School" weaves together Google Maps, classical art, and dental hygiene into a story that explores—with exquisite humor and grace—the seemingly impossible angles at which our lives often intersect. And in "An Enchanted Tree Near Fredericksburg," countless lovers carve countless hearts into the gnarled trunk of an ancient oak tree, leaving their marks to be healed, lifted upward, and, finally, absorbed. Haunting, hilarious, and full of longing, *Shame and Wonder* announces the arrival of David Searcy as an essential and surprising new voice in American writing. Praise for *Shame and Wonder*
"Astonishment is a quality central to David Searcy's *Shame and Wonder*. . . . What unites these twenty-one essays . . . is the sense of a wildly querying intelligence suspended in a state of awe. . . . Searcy is drawn instinctively to moments, the way parcels of time expand and contract in memory, conjuring from ordinary experience a hidden sense of all that is extraordinary in the world, in being alive."—The New York Times Book Review
"A lovely implicit argument for a particular orientation toward the world: continuous awe and wonder . . . Everywhere, David Searcy finds the strange and marvelous in careful examination of the quotidian."—NPR
"Peculiar and lively . . . Like a down-home Roland Barthes, [Searcy's] quirky observations and sudden narrative turns remind us of the strangeness we miss every day."—Minneapolis Star Tribune
"Often nostalgic and whimsical . . . brings to life the shadows of our kaleidoscopic world."—The Dallas Morning News
"What makes Searcy such a master storyteller is that he is a master observer, sharing his vision through essays that read like exquisitely crafted short stories."—San Francisco Chronicle
"In twenty-one captivatingly offbeat essays, Searcy finds the exceptional in the everyday . . . and contemplates the mysteries therein with grace and eloquence."—The Atlanta Journal-Constitution
"A collection of essays laced with wisdom and beauty."—Paste
"Slyly brilliant—a self-deprecatory look at life in all its weirdness."—Austin American-Statesman
"A work of genius—a particular kind of genius, to be sure."—Ben Fountain, author of *Billy Lynn's Long Halftime Walk*

Families that return for treatment time and again often have problems that seem unrelated—such as compulsive, addictive, or abusive behaviors—but that are linked by an underlying process of shame. Comparing the shame-bound family system with the respectful family system, Fossum and Mason outline the assumptions underlying their depth approach to family therapy and take the reader step by step through the stages of therapy. Case examples are used to illustrate the process.

Queer Attachments Jun 19 2020 Why is shame so central to our identity and to our culture? What is its role in stigmatizing subcultures such as the Irish, the queer or the underclass? Can shame be understood as a productive force? In this lucid and passionately argued book, Sally R. Munt explores the vicissitudes of shame across a range of texts, cultural milieux, historical locations and geographical spaces - from eighteenth-century Irish politics to Philip Pullman's His Dark Materials trilogy, from contemporary US academia to the aesthetics of Tracey Emin. She finds that the dynamics of shame are consistent across cultures and historical periods, and that patterns of shame are disturbingly long-lived. But she also reveals shame as an affective emotion, engendering attachments between bodies and between subjects - queer attachments. Above all, she celebrates the extraordinary human ability to turn shame into joy: the party after the fall. Queer Attachments is an interdisciplinary synthesis of cultural politics, emotions theory and narrative that challenges us to think about the queerly creative proclivities of shame.

Shame of Man Feb 25 2021 Book two in the New York Times-bestselling author's world history-spanning epic that began with Isle of Woman. Their saga takes them from the caves of prehistoric Europe to the Holy Land in the time of King David, through the imperial court of third century Japan, and Damascus in the early days of Islam, to Central Asia in the era of Genghis Khan, and the fallen paradise of Easter Island, concluding with a harrowing glimpse of our future, in the wreckage of a world devastated by global ecological catastrophe. Through their eyes we experience humanity's greatest triumphs, and witness its greatest shame, the relentless exploitation of nature that now threatens our very survival.

The Shame Machine Nov 05 2021 NEW YORK TIMES EDITORS' CHOICE • A clear-eyed warning about the increasingly destructive influence of America's "shame industrial complex" in the age of social media and hyperpartisan politics—from the New York Times bestselling author of Weapons of Math Destruction "O'Neil reminds us that we must resist the urge to judge, belittle, and oversimplify, and instead allow always for complexity and lead always with empathy."—Dave Eggers, author of The Every Shame is a powerful and sometimes useful tool: When we publicly shame corrupt politicians, abusive celebrities, or predatory corporations, we reinforce values of fairness and justice. But as Cathy O'Neil argues in this revelatory book, shaming has taken a new and dangerous turn. It is increasingly being weaponized—used as a way to shift responsibility for social problems from institutions to individuals. Shaming children for not being able to afford school lunches or adults for not being able to find work lets us off the hook as a society. After all, why pay higher taxes to fund programs for people who are fundamentally unworthy? O'Neil explores the machinery behind all this shame, showing how governments, corporations, and the healthcare system capitalize on it. There are damning stories of rehab clinics, reentry programs, drug and diet companies, and social media platforms—all of which profit from "punching down" on the vulnerable. Woven throughout The Shame Machine is the story of O'Neil's own struggle with body image and her recent weight-loss surgery, which awakened her to the systematic shaming of fat people seeking medical care. With clarity and nuance, O'Neil dissects the relationship between shame and power. Whom does the system serve? Is it counter-productive to call out racists, misogynists, and vaccine skeptics? If so, when should someone be "canceled"? How do current incentive structures perpetuate the shaming cycle? And, most important, how can we all fight back?

Shame on Me Oct 24 2020 FINALIST FOR THE GOVERNOR GENERAL'S AWARD FOR NON-FICTION Interrogating our ideas of race through the lens of her own multi-racial identity, critically acclaimed novelist Tessa McWatt turns her eye on herself, her body and this world in a powerful new work of non-fiction. Tessa McWatt has been called Susie Wong, Pocahontas and "black bitch," and has been judged not black enough by people who assume she straightens her hair. Now, through a close examination of her own body—nose, lips, hair, skin, eyes, ass, bones and blood—which holds up a mirror to the way culture reads all bodies, she asks why we persist in thinking in terms of race today when racism is killing us. Her grandmother's family fled southern China for British Guiana after her great uncle was shot in his own dentist's chair during the First Sino-Japanese War. McWatt is made of this woman and more: those who arrived in British Guiana from India as indentured labour and those who were brought from Africa as cargo to work on the sugar plantations; colonists and those whom colonialism displaced. How do you tick a box on a census form or job application when your ancestry is Scottish, English, French, Portuguese, Indian, Amerindian, African and Chinese? How do you finally answer a question first posed to you in grade school: "What are you?" And where do you find a sense of belonging in a supposedly "post-racial" world where shadism, fear of blackness, identity politics and call-out culture vie with each other noisily, relentlessly and still lethally? Shame on Me is a personal and powerful exploration of history and identity, colour and desire from a writer who, having been plagued with confusion about her race all her life, has at last found kinship and solidarity in story.
