Kasher in the Rye Aug 14 2022 Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim

Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

King Peggy May 31 2021 The charming real-life fairy tale of an American secretary who discovers she has been chosen king of an impoverished fishing village on the west coast of Africa. King Peggy chronicles the astonishing journey of American secretary, Peggielene Bartels, who suddenly finds herself king to a town of 7,000 people on Ghana's central coast, half a world away. Upon arriving for her crowning ceremony in beautiful Otuam, she discovers the dire reality: there's no running water, no doctor, no high school, and many of the village elders are stealing the town's funds. To make matters worse, her uncle (the late king) sits in a morgue awaiting a proper funeral in the royal palace, which is in ruins. Peggy's first two years as king of Otuam unfold in a way that is stranger than fiction. In the end, a deeply traditional African town is uplifted by the ambitions of its decidedly modern female king, and Peggy is herself transformed, from an ordinary secretary to the heart and hope of her community.

The Dare Mar 17 2020 Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

Exit Strategy Apr 29 2021 Righteously angry, riotously funny, and wise to the tensions between abstract policy and lived experience, Ike Holter's play Exit Strategy centers on vivid, unforgettable characters struggling to maintain faith in a vocation that is being determinedly undermined. Drawing from the headlines, Exit Strategy is set in Chicago and tells the story of a fictional public high school slated for closure at the end of the year. Despite funding cuts, bureaucrats run amok, apathy, and a rodent infestation, a small, multiracial group of teachers launch a last-minute effort to save the school, and put their careers, futures, and safety in the hands of a fast-talking administrator who may be in over his head. The tenuous situation also raises fears and anxieties among students, and within the volcanic neighborhood that is home to the school. Holter has said that Exit Strategy was inspired by the 2013 mass closure of forty-nine Chicago public schools, which

displaced nearly 12,000 children—the majority of directly impacted students were African American and Latinx. Hailed as "riveting," "sharp," and "richly metaphoric" by critics, the play indicts how we educate our children in big American cities, and shows why gaps between haves and have-nots continue to grow. Exit Strategy is one of seven plays in Ike Holter's cycle of works set in Chicago or Chicago-inspired neighborhoods.

Assembling a Black Counter Culture Aug 22 2020 In this critical history, DeForrest Brown, Jr "makes techno Black again" by tracing the music's origins in Detroit and beyond In *Assembling a Black Counter Culture*, writer and musician DeForrest Brown, Jr, provides a history and critical analysis of techno and adjacent electronic music such as house and electro, showing how the genre has been shaped over time by a Black American musical sensibility. Brown revisits Detroit's 1980s techno scene to highlight pioneering groups like the Belleville Three before jumping into the origins of today's international club floor to draw important connections between industrialized labor systems and cultural production. Among the other musicians discussed are Underground Resistance (Mad Mike Banks, Cornelius Harris), Drexciya, Juan Atkins (Cybotron, Model 500), Derrick May, Jeff Mills, Robert Hood, Detroit Escalator Co. (Neil Olliviera), DJ Stingray/Urban Tribe, Eddie Fowlkies, Terrence Dixon (Population One) and Carl Craig. With references to Theodore Roszak's *Making of a Counter Culture*, writings by African American autoworker and political activist James Boggs, and the "techno rebels" of Alvin Toffler's *Third Wave*, Brown approaches techno's unique history from a Black theoretical perspective in an effort to evade and subvert the racist and classist status quo in the mainstream musical-historical record. The result is a compelling case to "make techno Black again." DeForrest Brown, Jr is a New York-based theorist, journalist and curator. He produces digital audio and extended media as Speaker Music and is a representative of the Make Techno Black Again campaign.

Miss Ella of Commander's Palace Apr 10 2022 In this culinary memoir, readers get a personal tour of the storied New Orleans restaurant with the woman who put it—and Creole cuisine—on the map. Meet Ella Brennan: mother, mentor, blunt-talking fireball, and matriarch of a New Orleans restaurant empire. Ella is famous for bringing national attention to Creole cuisine, and her unique vision is best summed up in her own words: "I don't want a restaurant where a jazz band can't come marching through." In this candid autobiography, Ella shares her life story from childhood in the Great Depression to opening acclaimed eateries. When the Brennans launched Commander's Palace, it became the city's most popular restaurant. Many of the city's most famous chefs such as Paul Prudhomme, Emeril Lagasse, Troy McPhail, and many others, got their start there. Miss Ella of Commander's Palace describes the drama, the disasters, and the abundance of love, sweat, and grit it takes to become the matriarch of New Orleans' finest restaurant empire.
