Several disastrous missions have depleted the ranks of the Splinter Cells. Third Echelon is training new recruits when a stunning piece of evidence is uncovered. Evidence that points to the mole who sold out his government...Sam Fisher, Splinter Cell(r) operative. Legendary agent Sam Fisher teams up with a new NSA recruit - his own daughter - to save the world in this gripping new thriller from the renowned Tom Clancy's Splinter Cell® videogame universe Veteran Fourth Echelon agent Sam Fisher has a new mission recruiting and training the next generation of Splinter Cell operatives for the NSA's covert action division, including his daughter Sarah. But when a lethal assassin from Fisher's past returns from the dead on a mission of murder, father and daughter are thrust into a race against time as a sinister threat to global security is revealed. A dangerous cyberwarfare technology known as Gordian Sword - capable of crashing airliners, destroying computer networks and plunging entire cities into darkness - is being auctioned off to whichever rogue state makes the highest bid. Sam and Sarah must call on their very singular set of skills to neutralize Gordian Sword and stop the weapon falling into the wrong hands - at any cost... He is Sam Fisher: Third Echelon special operative. And when a cargo freighter loaded down with radioactive material is headed towards the coast of the United States, he has minutes to disable the ship - or die trying. In response to the growing use of sophisticated digital encryption to conceal potential threats to the United

States, the National Security Agency has ushered forth the new dawn of intelligence-gathering techniques. The top-secret initiative is dubbed Third Echelon. Its existence denied by the U.S. government, Third Echelon deploys a lone field operative. He is sharp, nearly invisible, and deadly. And he has the right to spy, steal, destroy, and assassinate to protect American freedoms. His name is Sam Fisher. He is a Splinter Cell®. Jack Ryan, Jr. is the one man who can prevent a second Korean War in the latest thrilling entry in the #1 New York Times bestselling series. When the leader of North Korea is catastrophically injured, his incapacitation inadvertently triggers a "dead-man's switch," activating an army of sleeper agents in South Korea and precipitating a struggle for succession. Jack Ryan, Jr. is in Seoul to interview a potential addition to the Campus. But his benign trip takes a deadly turn when a wave of violence perpetrated by North Korean operatives grips South Korea's capital. A mysterious voice from North Korea offers Jack a way to stop the peninsula's rush to war, but her price may be more than he can afford to pay.

"Campus operative Jack Ryan Jr is in Tehran, when he meets an old friend, Seth. As they part, Seth passes Jack a key, gives him a cryptic message and vanishes. Now M16 and the CIA are after Jack. They're desperate to find Seth. Jack tells them he know nothing but perhaps he know enough to find his friend on his own . . . In a dangerous foreign country, chased by agents from all sides, unsure who if anyone he can trust, Jack has few clues and no space for mistakes. He's risking everything for Seth. But whose side is his old friend on? And what if it's not Jack's?"

Spain is a nation poised to suffer its worst internal strife in centuries. Certain well-placed Spanish diplomats sense it. Op-Center intelligence corroborates it. All the United States and Spain have to do is find a way to avert it. Before they can, an Op-Center representative is assassinated in Madrid on her way to a top secret meeting. Now all fears are confirmed. Someone very powerful wants another

Spanish civil war--no matter what the cost. A computer security agency within the FBI, Net Force tracks cyberterrorists through the lawless corners of the internet—in the first five novels of the action-packed series from #1 New York Times bestselling author Tom Clancy. NET FORCE HIDDEN AGENDAS NIGHT MOVES BREAKING POINT POINT OF IMPACT The explosion of a Chinese freighter in Charleston Harbor is the first sign that someone is capping Chinese interests abroad. Now under the control of the Pentagon, Op-Center is unsure of its own future-but must root out the cause of the attacks before the entire world is affected. Covers all new "Eagle Watch" missions In-depth strategies for planning every mission and for executing your strike with utmost precision Detailed intelligence maps for all "Rainbow Six" and "Eagle Watch" missions Dossiers on all 24 playable characters, including the new "Eagle Watch" operatives Covers all new "Eagle Watch" multiplayer modes Basic anti-terrorist tactics every aspiring Special Forces commando should know The line between military intelligence and military force has been crossed. In this #1 New York Times bestselling John Clark thriller, author Tom Clancy takes readers into the shadowy world of anti-terrorism and gets closer to reality than any government would care to admit... Ex-Navy SEAL John Clark has been named the head of Rainbow, an international task force dedicated to combating terrorism. In a trial by fire, Clark is confronted with a violent chain of seemingly separate international incidents. But there is no way to predict the real threat: a group of terrorists like none the world has ever encountered, a band of men and women so extreme that their success could literally mean the end of life on earth as we know it. The eighth novel in Tom Clancy's #1 New York Times bestselling Net Force series. Though the head of a major multinational corporation—and a key player in world affairs—Samuel Walker Cox has a past that few people know about. But that group is about to get bigger. A

computer disk has fallen into the hands of the Net Force, outing the powerful American businessman as a former Russian spy. Cox is willing to see the world in ruins to protect his name. Lucky for the United States that Net Force is on the job—and is about to prove that no man is above the law. Only the author of The Hunt for Red October could capture the reality of life aboard a nuclear submarine. Only a writer of Clancy’s magnitude could obtain security clearance for information, diagrams, and photographs never before available to the public. Now, every civilian can enter this top secret world and experience the drama and excitement of this stunning technological achievement...the weapons, the procedures, the people themselves...the startling facts behind the

fiction that made Tom Clancy a #1 bestseller. Submarine includes: Exclusive photographs, illustrations, and diagrams Mock war scenarios and weapons launch procedures An inside look at life on board, from captain to crew, from training exercises to operations The fascinating history and evolution of submarines PLUS: Tom Clancy's controversial views on submariner tactics and training methods They are floating cities with crews of thousands. They are the linchpins of any military strategy, for they provide what has become the key to every battle fought since World War I: air superiority. The mere presence of a U.S. naval carrier in a region is an automatic display of strength that sends a message no potential enemy can ignore. Now, Tom Clancy welcomes you aboard for a detailed look at how these floating behemoths function. With his trademark style and eye for detail, Clancy brings you naval combat strategy like no one else can. Carrier includes: * Takeoffs and landings: flying into the danger zone * The aircraft onboard: their range, their power, their weaponry * The role of the carrier in modern naval warfare * Exclusive photographs, illustrations and diagrams Plus: An interview with the U.S. Navy's Chief of Naval Operations, Admiral Jay Johnson Jack Ryan, Jr.'s race to stop an international criminal conspiracy is intertwined with the fate of an old friend in this blistering entry in the #1 New York Times bestselling series. The CIA's deepest secrets are being given away for a larger agenda that will undermine the entire Western intelligence community. Director of National Intelligence Mary Pat Foley wants it stopped but doesn't know who, how or why. Jack Ryan, Jr., is dispatched to Poland on a different mission. The clues are thin, and the sketchy trail dead ends in a harrowing fight from which he barely escapes with his life. If that's not bad enough, Jack gets more tragic news. An old friend, who's dying from cancer, has one final request for Jack. It seems simple enough, but before it's done, Jack will find himself alone, his life hanging by a thread. If he survives,

he'll be one step closer to finding the shadowy figure behind the CIA leak and its true purpose, but in the process, he'll challenge the world's most dangerous criminal syndicate with devastating consequences. In the third season of the action-thriller series, Jack Ryan is working as a CIA case officer in Rome, when he is tipped off that the Sokol Project, a secret plan to restore the Soviet Empire, is being resurrected more than 50 years after it was thought to have been shut down. Jack embarks on a mission to confirm the intelligence, but things quickly go awry, and he is wrongly implicated in a larger conspiracy. Accused of treason, with a Red Notice out for his arrest, Jack is forced to run from his own government, if he has any hope of uncovering the rogue faction before it's too late. Crisscrossing Europe as he is hunted by former allies and new enemies alike, Jack races against the clock to stop the cascade of destabilizing conflicts from leading to global catastrophe. Sam Fisher, once a Splinter Cell -- a clandestine operative operating in the shadows of the N.S.A. -- is now retired. His enemies, however, are not. Haunted by dreams and memories of his past, he struggles to put his life back together. But when a mysterious terrorist organization called KROWE begins pursuing targets around the globe, Sam's expertise is needed to uncover their endgame and stop them before the deadly plot unfolds. Echoes takes place between the events of Splinter Cell Conviction and Splinter Cell Blacklist. The series bridges the gap between the two games with a realistic, original story that sets the tone for the opening events in Splinter Cell Blacklist! From Nathan Edmondson, the acclaimed writer of ULTIMATE IRON MAN, WHO IS JAKE ELLIS and THE ACTIVITY and Marc Laming, artist behind EXILE ON THE PLANET OF THE APES, THE RINSE, THE ACTIVITY and Dynamite's own KINGS WATCH comes a story of the Sam Fisher you only thought you knew. The latest, greatest, high-tech thrill ride for Tom Clancy's legion of young fans. The amateurs are beating the pros in

this year's spatball playoffs-and some big bettors plan to lose a fortune. When they threaten a star player, the Net Force Explorers are called in to protect America's newest pastime. Six novels in the Op-Center series of "high-tech, high-action thrillers" (Publishers Weekly) created by #1 New York Times bestselling author Tom Clancy. DIVIDE AND CONQUER LINE OF CONTROL MISSION OF HONOR SEA OF FIRE CALL TO TREASON WAR OF EAGLES Dominic Caruso, nephew to President Jack Ryan and campus operative, is training in India when a terrorist hit takes out his trainer. Caruso survives - barely intact. Back in Washington, it's clear a mole has been gathering and leaking US secrets. And Caruso is desperate to avenge his friend. Soon he is on the tail of NSC-staffer Ethan Ross - a man who thinks he's too smart to ever get caught. Unfortunately, Ross has got many more secrets on a Microdrive and when he decides to run, it's not just Caruso and the FBI on his trail. The Russians and a few angry terrorist groups will do anything to get to Ross - and the vital information he carries. It's up to Caruso, on his own and outside the law, to go up against well-armed and organized terrorists to get to Ross first . . . Jack Ryan, Jr., will do anything for a friend, but this favor will be paid for in blood in the latest electric entry in the #1 New York Times bestselling series. Jack Ryan, Jr. would do anything for Ding Chavez. That's why Jack is currently sitting in an open-air market in Israel, helping a CIA team with a simple job. The man running the mission, Peter Beltz, is an old friend from Ding's Army days. Ding hadn't seen his friend since Peter's transfer to the CIA eighteen months prior, and intended to use the assignment to reconnect. Unfortunately, Ding had to cancel at the last minute and asked Jack to take his place. It's a cushy assignment--a trip to Israel in exchange for a couple hours of easy work, but Jack could use the downtime after his last operation. Jack is here merely as an observer, but when he hastens to help a woman and her young son, he finds himself the target of

trained killers. Alone and outgunned, Jack will have to use all his skills to protect the life of the child. A heart-stopping military thriller from Tom Clancy's Splinter Cell - betrayed, hunted and disavowed, Sam Fisher's toughest mission has just begun Inside North Korea, veteran Fourth Echelon agent Sam Fisher finds himself on the run when a top-secret covert mission goes fatally wrong. Betrayed by his allies, hunted by his adversaries, and disavowed by his own agency, Sam is stranded deep inside hostile territory - and his only chance of survival is to uncover a murderous plot that reaches into the heart of the hermit state, and beyond. Meanwhile, Fisher's estranged daughter Sarah risks everything to assemble an off-the-books effort to find her missing father before his luck runs out - but the conspiracy that framed Sam goes deeper than either of them realize... First published in hardcover in 2014 by G.P. Putnam's Sons. As part of a top-secret initiative called Third Echelon, National Security Agency special operative Sam Fisher has been given license to spy, steal, destroy, and assassinate to protect America. And he does... The Op-Center team faces untold chaos on a mission in Africa in the ninth novel in the #1 New York Times bestselling series created by Tom Clancy and former Department of State official Steve Pieczenik. On the surface it seems a simple case: a group of African militiamen have kidnapped a priest and ordered all Catholic missionaries to leave the nation of Botswana. But the Vatican thinks otherwise. At its urging, Op-Center investigates—and finds out that the real purpose of the crime is a plan by outside forces to destabilize the government and seize the nation's diamond mines. With its military team, Striker, out of commission, Op-Center must reinvent itself—and head straight into the crossfire of an African war. A computer game convention becomes a hunting ground when the monsters from a new game escape--and attack the Net Force Explorers in virtual reality! This electrifying thriller in Tom Clancy's #1 New York Times bestselling series has President Jack Ryan and

his allies facing a treacherous foe threatening to unleash chaos around the globe... When the desperate Russian president launches an all-out covert violent offensive into order to push the world into chaos and regain the power his once-mighty country has lost, it's up to U.S. President Jack Ryan and all of his allies to stop the madman's grand plan of global conflict and conquest. Thanks to the Division, hope is finally within reach - until a war between Gulf Coast factions exposes an old, brutal foe in this heart-stopping adventure from Tom Clancy's *The Division*® Ever since the Green Poison epidemic transformed the United States, the Division has worked tirelessly to push the nation back from the brink of collapse. The new food infrastructure brings hope... until Division agent Maira Kanhai finds an alarming disruption in the critical Texan oil refineries: a group of environmental extremists set on keeping the transformed world free from fossil fuels. When Maira's Division cell is dispatched to secure the area, they discover a private military outfit acting as warlords of the hurricane-ravaged communities. As tensions between the factions come to a head, an old enemy emerges intending to destroy the Division, forcing Maira into a choice that will make her a hero or villain, and question what the Division stands for. When terror comes at the speed of a processor, Net Force is there to fight back—in these five riveting thrillers created by #1 New York Times bestselling author Tom Clancy. *CYBERNATION STATE OF WAR CHANGING OF THE GUARD SPRINGBOARD THE ACHIMEDES EFFECT* The first four novels in the *Power Play* series created by #1 New York Times bestselling author and master of the techno-thriller Tom Clancy. UpLink Technologies' innovations keep America's defense and intelligence forces at the cutting edge. And the visionary behind UpLink is Roger Gordian, as astute about the battlefield as he is about the boardroom... *POLITIKA RUTHLESS.COM SHADOW WATCH BIO-STRIKE* Jack Ryan, Jr. is out to avenge the murder of an old friend, but the vein of evil he's

tapped into may run too deep for him to handle in the latest electric entry in the #1 New York Times bestselling series. While on vacation in Barcelona, Jack Ryan, Jr. is surprised to run into an old friend at a small café. A first, Renee Moore seems surprised to see Jack, but then she just seems irritated and distracted. After making plans to meet later, Jack leaves, only to miss the opportunity to ever speak to Renee again, as the café is destroyed minutes later by a suicide bomber. A desperate Jack plunges back into the ruins to save his friend, but it's too late. As she dies in his arms, she utters one word, "Sammler." When the police show up they are initially suspicious of Jack until they are called off by a member of the Spanish Intelligence Service. This mysterious sequence of events sends the young Campus operative on an unrelenting search to find out the reason behind Renee's death. Along the way, he discovers that his old friend had secrets of her own—and some of them may have gotten her killed. Jack has never backed down from a challenge, but some prey may be too big for one man. Four novels in the Power Plays series created by #1 New York Times master of the techno-thriller Tom Clancy. When it comes to high-tech intelligence systems, UpLink Technologies is the leader in the field—and sometimes, the nation's best hope in a time of crisis... COLD WAR CUTTING EDGE ZERO HOUR WILD CARD Seventh in the #1 New York Times bestselling Power Plays series created by Tom Clancy and Martin Greenberg and written by Jerome Preisler. Competition is heating up between the powerful telecommunications company Uplink International and new technological giant Ambright Industries. To keep Uplink on top, owner Roger Gordian is not above a little "friendly snooping," especially when one of Ambright's corporate sales agents disappears under mysterious circumstances. On the surface, Ambright specializes in creating flawless artificial sapphires used in advanced laser development. But, a little digging by Uplink operatives reveals a major flaw: a Pakistani terrorist is

using Ambricht's laser technology to further his own political agenda—and it's only a matter of time before he launches the ultimate attack...on U.S. soil. "Clancy knows how to build a thriller."—Boston Globe Don't Miss the Original Series Tom Clancy's Jack Ryan Starring John Krasinski! Tom Clancy reveals Jack Ryan's origins in this electrifying #1 New York Times bestselling thriller that pits the former Marine turned family man against a vicious group of international terrorists. As an American in London on vacation with his family, Jack Ryan never imagined his quick thinking would prevent an assassination attempt on Britain's royal family and earn him the gratitude of an entire nation—and the scorn of an ultra-left-wing faction of the IRA. Irish terrorist Sean Miller and his followers in the Ulster Liberation Army intend to make sure Ryan pays for his interference in blood. But he's not the only one they're after... With the lives of his pregnant wife and young daughter in mortal danger, Ryan accepts a role as a CIA analyst in order to find Miller and shut down the ULA. Going head to head with a ruthless terrorist is a fool's errand, but Jack Ryan is the kind of man who will do whatever it takes to protect his family. From the #1 New York Times bestselling creators of Op-Center comes a different kind of law enforcement. In the year 2010, computers are the new superpowers. Those who control them control the world. To enforce the Net Laws, Congress creates the ultimate computer security agency within the FBI: Net Force®. Minor viruses are eating away at the Net Force computers. The e-mail shut-downs and flickering monitors are hardly emergencies—but they've been keeping the tech department hopping. Same with the sudden rash of time-consuming lawsuits. No one in Net Force has a moment to spare, which is exactly the way Mitchell Townsend Ames wants it. Because when the shadowy mastermind launches his master plan, he wants Net Force to be looking the other way...
