**Deadliest Waters** Oct 18 2022 Sig Hansen has been a star of the Channel 4's *The Deadliest Catch* from the pilot to the present. Seen in over 150 countries, the show attracts more than 49 million viewers per season, making it one of the most successful series in the history of cable TV. With its daredevil camera work, unpredictably dangerous weather, and a setting as unforgivable and unforgettable as the frigid Bering Sea, *The Deadliest Catch* is unlike anything else on television. But the weather-worn fishermen of the fishing vessel *Northwestern* have stories that don't come through on TV. For Sig Hansen and his brothers, commercial fishing is as much a part of their Norwegian heritage as their names. Descendants of the Vikings who roamed and ruled the northern seas for centuries, the Hansens' connection to the sea stretches from Alaska to Seattle and all the way to Norway. And after twenty years as a skipper on the commercial fishing vessel the *Northwestern*-- which was his father's before him -- Sig has lived to tell the tales. To be a successful fisherman, you need to be a mechanic, navigator, welder, painter, carpenter, and sometimes, a firefighter. To be a successful fisherman year after year, you need to be a survivor. This is the story of a family of survivors; part memoir and part adventure tale, *North by Northwestern* brings readers on deck, into the dockside bars and into the history of a family with a common destiny. Built around a gripping tale of a deadly shipwreck like *The Perfect Storm*, *North by Northwestern* is the multi-generational tale of the Hansen family, a clan of tough Norwegian-American fishermen who, through the popularity of *The Deadliest Catch*, have become modern folk-heroes.
