In Your Spiritual Authority Capps focuses his teaching on the believers identity in Christ. This newly packaged version of this breakthrough teaching will unleash new life and faith in the lives of believers. This collection of essays -- each of which treats an integral aspect of the field -- defines several key concepts and their interrelationships, outlines basic research issues, and discusses near-term applications projects. The book examines three foundations of ITSs in detail -- expert, student diagnostic, and instructional or curricular knowledge -- and describes: \* How they are embodied in computer-assisted instructional environments \* How these systems accrue the advantages of advanced computer interface technologies \* How ITSs will emerge in the real world of complex problem solving \* How researchers must learn to evaluate the effectiveness and overall quality of these dynamic systems in a world where machine tutoring may one day be taken for granted.

Following her retirement from the bench, she served as the director of the Juvenile Judge division of the Children's Defense Fund. During her

illustrious career, Judge Polier was the recipient of numerous awards including: the Citation for Distinguished Service to the City of New York, 1973; the Human Services Award from the New York and Bronx Mental Health Association, 1973; the Eleanor Roosevelt Humanitarian Award from the Board of Directors of Wiltwyck School, 1975. Judge Polier also published numerous reports and several books including: *Everyone's Children, Nobody's Child*; *Back to What Woodshed?*; *A View from the Bench*; and *The Rule of Law and the Role of Psychiatry*. *Your Tongue Has the Power of Life and Death! Life is not whatever will be, will be. It's what you say it is!* Words are the most powerful force in the universe, and you can release this ultimate creative power in your life by your words. In this classic book first published in 1976, bestselling author and renowned faith teacher Charles Capps lays a biblical foundation for the power of words--both God's and yours. The heavens and the earth were created as God released His power by the spoken word. In the beginning, God said, "Light be!" and light was. God planned for you to do the same. God's Word spoken from your mouth and conceived in your heart becomes a spiritual force that releases His ability in your world. In *The Tongue: A Creative Force*, Charles Capps lays out straight-forward, Scripture-based teaching to help you... Recognize the power in your tongue Align your words with God's Activate creative power in you As you speak faith-filled words into your situations, your words will position you to receive God's best in every area of your life! Discover the Source of Lasting Success. Many books have been written on the subject of positive thinking and success, but they focus on the mental realm only and lack a spiritual connection. There is only one way to achieve true and lasting success and that is found through the Word of God. The image that God's Word builds inside you can become the most powerful force in your life. That image causes you to succeed when others fail. God's Word motivates you to a positive and successful life. It is spiritual motivation to the human spirit. It will bring you success in every part of your life- spiritually, physically, financially and socially. *... so is the kingdom of God, as if a man should cast seed into the ground; and should sleep, and rise night and day, and the seed should spring and grow up, he knoweth not how . . . But when the fruit is brought forth, immediately he putteth in the sickle, because the harvest is come;* Mark 4:26,27,29. Seedtime and harvest is God's method for bringing forth His Kingdom into our lives. Everything produces after its kind. If you give love, you will reap love. *Plant Your Seed*. This is something you can do. Jesus said that you are the one planting the seed. God's Word is incorruptible seed, and God's promises are seeds for harvest. In this book you will learn that as you speak God's promises out of your mouth as a seed, it goes into your heart to grow and produce a harvest of blessing. Capps says you can learn to see that which is invisible by seeing with the eyes of your spirit. Your words, he says, create images inside you. When you speak forth these words in faith, you will see circumstances change in the natural. *Faith and the Marketplace* is a life-transforming book on the supernatural business of the kingdom of God, and a kingdom leadership playbook that promises to catapult you to the next level of your career, profession, business, or ministry. You will learn how to build your faith in God and understand His perfect plan for your life. Your faith was never meant to be separated from your work or business life. Bill Winston meticulously details throughout this book how the two work together. In God's kingdom, you are either a king or a priest. Kings are marketplace

ministers who serve in government, business, education, media, the family, and arts and entertainment. Priests are those who serve as an apostle, prophet, evangelist, pastor, or teacher, or what is commonly referred to as the five-fold ministry. Through a multitude of scriptures, his own life story, and the engaging stories of others, Bill Winston explains why God is calling for the restoration of the unbeatable team of kings and priests to bring faith back into the marketplace, and to advance His kingdom around the world. Bill Winston has served as both a king (in the military and business world) and now a priest, and has been graced by God to reach this topic of faith and the marketplace like no one else. Teaches that when faith is conceived in the human spirit by the hearing of God's Word and then spoken through the mouth of the believer, it becomes a spiritual force that releases the ability of God within the believer. Measure the amount of the Word of God within you; that is the measure of your faith! When the Word of God gets inside you, it creates an image in its own kind. When that image is perfected inside you, then you have faith. Charles Capps has written this powerful and anointed book to instruct you in how to perfect that image of faith inside you to help you increase your faith. Charles Capps teaches how God sees you, in His Own image, and how that image God puts in His Word is the image you should have of yourself. This is so important, since it has been proven that what or who you imagine yourself to be determines your fate in life. Your self-image can carry you to heights of success or plunge you into the depths of defeat and despair. The Joy of the Lord is Your Strength! We read this verse in the Bible, we hear about it in sermons, we even sing about it. But what does this really mean? Simply this: The devil can't defeat a joyful believer! No matter how bleak your problem looks or how bad your circumstances are, if you can read your Bible, you can rejoice. And if you can rejoice, you are a candidate for victory! God designed angels to respond to God's Word. Words of doubt and unbelief bind them from action. They are listening to your words. Put them to work by speaking the Word to better enable you do God's will. Man was created in the image of God and in His likeness. Learn to speak His faith-filled words to your situation and see your life transformed. Allow God's creative power to flow from you. The principle of calling things that are not as though they were is the spiritual principle through which everything physical becomes manifest. God created the light by calling for "light" when only darkness was there. Jesus used this same method, calling the lepers clean, and the dead to life, and peace to the storm. You must call for what you desire. if you want your dog to come, you call the dog, not the cat. You call for what is not there. Whatever you call in the natural will come. Call what does not exist and continue to call until it manifests. Your words create and your words destroy. God created the universe with His Words, and He gave Christians that same authority here on earth. Many believers are not experiencing Gods absolute best simply because they dont realize the authority and responsibility they posses. From Curses to Blessings takes readers through a thorough teaching on the various causes that allow curses to enter our lives, including generational patterns and personal sin. The authors give substantial scriptural support to their message, along with lists of demonic spirits associated with various sins and prayers for freedom. Since the material covers the full range from murder and prostituting oneself to the way one speaks about one's neighbor or thinks about one's spouse, all believers will be able to find something to apply to their

lives to gain greater freedom. The final chapters include faith-building material on how to release God's blessings into our lives. How often have you heard the question: "They were such good Christians! Why did this happen to them?" Many believers' lives have been overwhelmed needlessly by defeat and tragedy. How does quantum physics relate to the Bible? Can words move mountains? How did Jesus supersede the laws of physics? There are amazing similarities between the teachings of Jesus and the discoveries of the new physics, quantum theory. The concept of speaking to mountains and trees may not be religious metaphor, but laws of a new physics that have not been fully understood. Jesus taught that our words are powerful enough to move physical matter. Quantum physics has discovered that subatomic particles respond to the observer.
